2 HILL: No, he was just driving and, and just
3 listening to the music and letting the air blow on him
4 and it wasn't even cool air. I got to get these bugs
5 off this car. They've been on there for three days.
6 Even though it's going to rain, I'm going to try and
7 get these bugs off.

8 FARRINGTON: I bet you got tied up a little longer
9 than what you thought, huh?

10 HILL: Yeah, a little bit but not much. I, I had to
11 go and find some money. Then I came over here and ah,
12 tried to find me a car wash. Took me a little while to
13 do that cause I don't want, you don't want them
14 brushes on your car. I learned my lesson about that.
15 So, you got to find a touch one. And you know, on the, on
16 the other side of town they don't have no, uh, they don't
17 have no touchless.

18 FARRINGTON: You mean over here.

19 HILL: No, I was over, when I got the UI, I was
20 over on the south side. They, they don't have no
21 touchless car wash.

22 FARRINGTON: You said when you got hit with who?

23 HILL: I said I was on the south side of town.

24 FARRINGTON: I know but you said something before
25 that.

1 HILL: I don't know what I said.
2 FARRINGTON: Okay.
3 HILL: But I, I think what I said was I, I found out
4 about not using, the touchless.
5 FARRINGTON: Did you say when you got to the house.
6 HILL: No, I said on the south side, they don't have
7 touchless.
8 FARRINGTON: Okay.
9 HILL: So, I had to come over here and find one.
10 FARRINGTON: Where is over here?
11 HILL: I'm over here on ah, Haskell. Haskell and
12 Central, now. 'Cause the other day, the other day, that,
13 they didn't have one either.
14 FARRINGTON: There's one over here that you found and
15 we went to one time.
16 HILL: Well, this one wasn't working the other day
17 but today it is working so I'm all right. Gas is a
18 little higher than what I want. All right. Let's get
19 a little wash here. ...sings... Coming in the air, all
20 night.
21 AUTOMATED VOICE: Thank you for stopping at TETCO.
22 Please enter your five digit code.
23 HILL: 0-6-2-1-0.
24 AUTOMATED VOICE: Thank you. Drive ahead forward for your
25 car wash.

1 HILL: Drive ahead for your car wash.

2 FARRINGTON: So they didn't, they didn't do all that
3 they were going to. And ah, and, and they said they
4 would just finish it on ah, on Tuesday or something.

5 HILL: Okay.

6 FARRINGTON: It's going to be more like Wednesday
7 cause I won't be back 'til then, so. I'm not sure
8 what time. I'm, I'm sure. I'm sure I'll be back by
9 Tuesday. I just don't know what time. So, I just
10 made it for Wednesday.

11 HILL: What did they do?

12 FARRINGTON: Uhm, what do you mean? How much?

13 HILL: Yeah, but I'm just really. I mean, I don't know
14 how much but that will, I guess I was asking much but more
15 importantly, ah it so it was. I was looking more at the
16 detail so it was LKC? Coming out of there. Where was it
17 coming out of?

18 FARRINGTON: Ah, I was. You know, I, I, I'm not
19 sure. I know ANDREA wrote it.

20 HILL: Okay.

21 FARRINGTON: And I was so. I think LKC.

22 HILL: Okay.

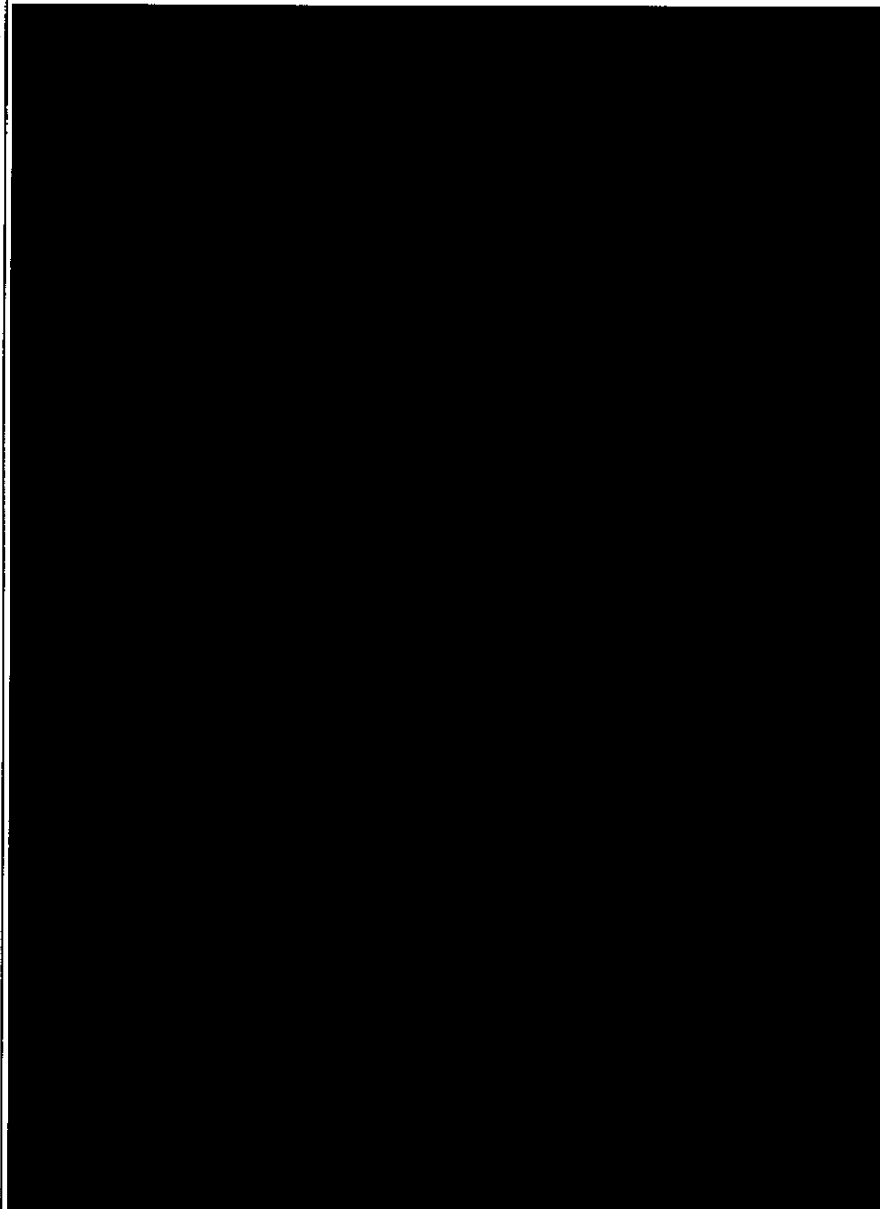

23 FARRINGTON: But I think one just came out of hers,
24 her personal. And, and the reason I didn't really
25 think to even look was because, I had about ten

1 minutes to get in before the bank closed and I just
2 ran in and just hurried up to make the transaction.
3 HILL: How much did they, how much did they put in?
4 FARRINGTON: Ah, \$5,500. I think one came off, off
5 the company, LKC, the 500 did and then the, 5, the
6 rest of it came out of. ANDREA wrote a check for it
7 so it, it looked like a personal check.
8 HILL: Well, I guess they'll work it out.
9 FARRINGTON: Yeah, they'll work it out. Think they
10 had a lot of unexpected stuff happen today. So they,
11 they were just running like crazy to deal with it.
12 But I'm sure they'll work it out.
13 HILL: But, you know that, that, that's kind of
14 D'ANGELO'S style. Kind of like hey man, bunch of
15 stuff to do and, he ain't part of it and you know, hey
16 just work it out.
17 FARRINGTON: What you mean, his style as far as what,
18 let them just work it out?
19 HILL: Yeah, let 'em work it out.
20 FARRINGTON: Yeah, they'll work it out. That's all
21 of our style. They'll work it out. We, we have to
22 deal with D'ANGELO the same way. He'll work it out.
23 HILL: Oh, man.
24 FARRINGTON: What?
25 HILL: No, I'm just laughing cause you're right.

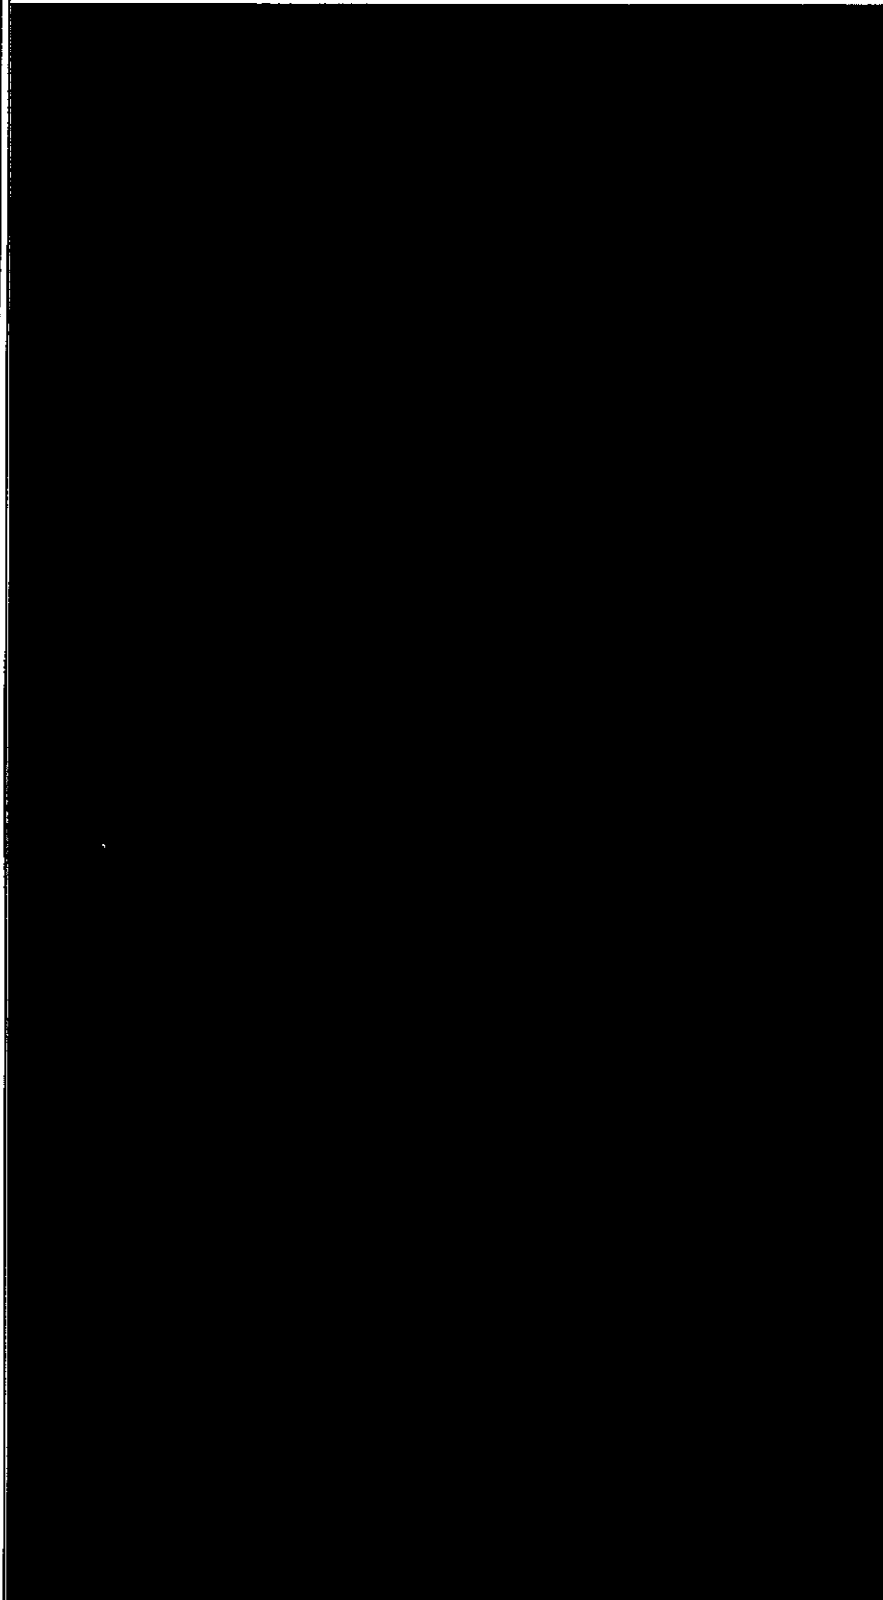

1 FARRINGTON: Oh.
2 HILL: Well, that's enough to take care of you and
3 take care of ah, D'ANGELO.
4 FARRINGTON: What do you mean?
5 HILL: Were you supposed to get the money out for
6 D'ANGELO tomorrow?
7 FARRINGTON: No, D'ANGELO is gone already.
8 HILL: Oh, he is. Oh, okay.
9 FARRINGTON: Yes. I mean, every, I didn't, you know, I
10 didn't...
11 HILL: No, you should leave it in there til they get
12 it all worked out.
13 FARRINGTON: That's what, that's what I did.
14 HILL: Yeah.
15 FARRINGTON: I just took ah, I didn't get to cash
16 that check that ERIC gave me, so I just put that in
17 and took that amount out but, you know, it's like an
18 even exchange.
19 HILL: Yeah.
20 FARRINGTON: Cause I think I had like \$3 and
21 something in the checking account so.
22 HILL: Yeah.
23 FARRINGTON: I thought it was a \$1 and something but
24 I was off, it was another dollar or something.
25 HILL: UI that baby, that baby got it measured down

1 to the end now. Baby know what she got. Has BRIAN
2 paid y'all yet?
3 FARRINGTON: No.
4 HILL: Okay, well that's good. That's something
5 working. Always want to have something working. And
6 I think he's out of town til Tuesday, too.
